The General Managers (Catg.)
All Zonal Railway.

Commercial Circular No. 80 of 2001
(Correction slip to Commercial Circular No. 50 of 2000)

Sub:- Emergency medical facilities at Railway stations.

It has been brought to the notice of Board that Zonal Railways are facing practical difficulties in providing chemist stalls with the facility of doctor at identified railway stations. It has been reported that as prescribed in Drugs and Cosmetic Act 1940 minimum space required for such a facility is 108 Sq. ft. or 10 Sq. meter.

Board has examined the provision contained in para 1.4 of the chemist stall policy dated 3.11.2000 and reviewed the matter in consultation with Health, Legal and Finance Directorates of Railway Board. It has been decided that the Para 1.4 - 'Size of the Chemist stall' of the policy circular dated 3.11.2001 may be substituted as under:-

Para 1.4 : "Size of the Chemist stall when facility of Doctor is to be provided will be subject to the maximum of 108 Sq. ft. However, this will not apply wherein medicines are sold through medicines corners provided in bookstalls. The construction will be done on the pattern of modular stall and a glow sign with Red Cross sign should be prominently display on the top portion of the Chemist Shop"

This issues with the concurrence of Health, Legal and Finance Directorates of the Ministry of Railways. Receipt of this letter may be acknowledged.
