Sub:- Treating of Transfer of ticket "TOT" cases.
Ref:-GM (Vg)'s letter No. E 161/2016/06/00327/PV1/N/ADI
dt. 22.12.2016. - 4760

.....

In case a passenger is detected as "TOT" case i.e. travelling on the name of the other passenger, strict punitive action is required to be taken instead of regularizing him on the same berth. Thus, whenever any passenger is detected as 'TOT', he should be treated as 'Without Ticket' and his berth/seat must be forfeited. The berth thus generated should be allotted to RAC passengers.
