No.2006/TG-I/20/P/Quota

New Delhi, Dated: 09/09/2006

The Chief Commercial Managers,
All Indian Railways.

(Commercial Circular No. 72 of 2006)

Sub: Withdrawal of Manual Reservation Quota from the locations
where computerised PRS facility is provided.

As per extant practice whenever Computerised Passenger Reservation System (PRS) facility is provided at any location, the manual reservation quota available, if any, at that location is withdrawn and merged either with the reservation quota of the nearest remote location or that available at the train originating station. It has, however, been observed that at some locations manual reservation quota is still being operated despite provision of computerised PRS facility there.

It is desired that wherever manual reservation quota is being operated (except special quota like Emergency Quota, Defence Quota, Foreign Tourist Quota etc.) even after provision of computerised PRS facility, the same may be withdrawn immediately and merged with reservation quota of the nearest remote location or that available at the train originating station under intimation to this office. Even if, no such quota has been provided, a reply indicating NIL position may be sent to this office.
