

**GOVERNMENT OF INDIA
MINISTRY OF RAILWAYS
RAILWAY BOARD**

No. 98/TG.III/631/11

New Delhi,
Dt. 23.8. 2001

The General Manager
All Indian Railways.

Commercial Circular no. 53 of 2001
(Amendment to Commercial Circular no. 20 of 2001 dated 22.3.2001)

Sub: - Procurement and Supply of "Packaged Drinking Water" on Indian Railways.

This is with reference to Commercial Circular No. 20 of 2001 dated 22.3.2001 regarding Procurement and Supply of "Packaged Drinking Water" on Indian Railways as per revised specification of BIS 14543:1998 in line with the Gazette Notification issued by Department of Health of Ministry of Health and Family Welfare.

On receipt of a reference from Western Railway certain provisions contained in para 7 of the above policy circular relating to procurement and supply of packaged drinking water by the private licensees operating in railway premises including trains have been reviewed by the Board.

It has been decided that the tendering process for the purpose of departmental procurement of packaged drinking water should be de-linked from the procurement and sale of packaged drinking water by private licensees. Accordingly para 7 of the Commercial Circular no. 20 of 2001 is modified as under: -

- 7.1 The shortlisting of manufacturers and their brands as per packet 'A' under the tendering process for departmental procurement will not be applicable to procurement of packaged drinking water by private licensees.
- 7.2 For non-departmental catering units in railway premises, private licensees should be allowed to market any brand of packaged drinking water either in bottles or in packets provided the manufacturers of the product are certified by BIS and necessary licence issued. The containers should have ISI mark on them.
- 7.3 The sale of packaged drinking water (chilled) on railway premises, including trains, will continue to be sold @ Rs.10/- per 1000ml.bottle.
- 7.4 Railways will continue to exercise inspections and checks under Quality Control and PFA, both for departmental as well as private licencees as per the guidelines contained in Para 9 and 10 of the policy Circular. Railway should also advise BIS regarding any major irregularity detected in supply of packaged drinking water of any manufacturer for appropriate action.

**Details of Licence Grant ed as on 20 July 2001
IS 14543:1998 Packaged Drinking Water
(other than Packaged Natural Mineral Water)**
