

**GOVERNMENT OF INDIA
MINISTRY OF RAILWAYS
(RAILWAY BOARD)**

No.2006/TG-IV/39/21/EOI

New Delhi, dated 16-06-09

**The General Managers,
All Zonal Railways.**

(Commercial Circular no. 19 of 2009)

Sub: On Board Audio/Video information dissemination and entertainment system.

The guidelines on the above matter have been issued vide Commercial Circular No. 70 of 2008. The clause xviii of the Circular reads as under:

“In order to harness the optimum market potential and to ensure wider participation by industry start up companies the clause in the tender documents on technical eligibility like turnover, the working experience i.e. the contractor should have done similar work of 35% of the reserve price in the last three preceding years etc. may be suitably drafted.”

The above clause is amended as under:

“In order to harness the optimum market potential and to ensure wider participation by industry start up companies the clause in the tender documents on technical eligibility like turnover, the working experience i.e. the contractor should have done similar work of 35% of the reserve price in the last three preceding years etc. may be suitably devised. The condition regarding consortium may also be included so as to ensure wider participation and giving a level playing field to all other joint venture companies also.”

(V.K.Sharma)
