Rail Bhavan, New Delhi – 110 001, dated 18.08.2020

Principal Chief Commercial Managers,
All Zonal Railways.

**Sub: Opening of Freight Handling Terminals i.e. Railway Goods-sheds,
Private Sidings, and PFTs for handling of Parcel Traffic.**

With a view to promote and proliferate parcel business over Indian Railways, it is imperative that the numbers of terminals for handling parcel traffic is increased. Therefore, it has been decided that all Railway Goods-sheds, Private Sidings and Private Freight Terminals (PFTs) may be permitted to handle parcel traffic subject to operational feasibility.

Zonal railways are requested to assess the operational feasibility of permitting parcel handling at freight handling terminals (Railway Goods-sheds, Private Sidings, and PFTs) – and notify them open for Parcel traffic, if feasible. Consent of Owners/TMC shall also be taken in case of Private Sidings and PFTs.

This has the approval of Competent Authority.
