2007/Chg-II/22/2 – Numbering

New Delhi, dated: 12.11.2010

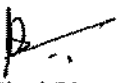

**The General Managers (Optg.),
All India Railways.**

Sub: Five digit train numbering scheme.

Ref: Railway Board's letter No.2007/Chg-II/22/2 – Numbering dated 09/09/2010 and 17/20.09.2010.

Please connect Board's letters referred above wherein all zonal railways were advised that all the passenger carrying trains including the Budget announced trains which are yet to be introduced, should be re-numbered as per the "Five digit train numbering scheme" and the new train numbers should be fired in the PRS, NTES and updated in the COA and ICMS immediately to ensure the new train numbers are completed by 15th of Sept. 2010 so as to made effective from 20th Dec. 2010. Press release in this regard was published on 24.09.2010 in all leading newspapers.

The issue of link trains in the PRS running with alpha-numeric numbering has remained unresolved. As a temporary measure, new numbers have been assigned to the list of 59 trains enclosed, as a temporary measure with the proviso that necessary changes in the PRS software will be made to define the link trains so that they fit with the overall logic of the new train numbering scheme.
