New Delhi

Sub: Integration of weighbridges with FOIS – Read only access to private siding

One of the Zonal Railways has forwarded a representation from a private siding owner requesting that after integration of weighbridge with FOIS, they may be supplied "read only input" from FOIS to enable them for generation of invoice for their use.

The matter has been examined in consultation with Mechanical and C&IS directorates of Railway Board and it has been decided that in case of private siding weighbridges, after integration with FOIS, User Id/Password based Read-Only access may be provided, on their request, with suitable restriction on write/rewrite/edit.

CRIS/FOIS may take appropriate action in this regard in coordination with concerned Zonal Railways.

(This disposes off WR's letter No.C.256/4/TMS(FOIS)/WBs dated 11.01.2021)
